

ESMRMB 2024 2-5 OCTOBER BARCELONA

40TH ANNUAL SCIENTIFIC MEETING

ESMRMB

European Society for Magnetic Resonance in Medicine and Biology

Chair Local Organising Committee:
Kai Vilanova, Spain

Chair Congress Planning Committee:
José Marques, Netherlands

www.esmrmb.org

ESMRMB 2024

MR to the limits and beyond!

Focus Topics

- MR Beyond Diagnostics: MR theranostics and intervention
- MR Beyond Structures: The dynamic body at different scales
- MR Beyond Trends: Fact checking MR

Two Educational Tracks

- From MR Basics to Safety and Protocol Optimization – Clinicians and Radiographers
- From Hardware to Map – Physics and Engineering

European Centred Sessions

- Medical Device Regulations
- European Grant Opportunities
- Consortia Initiated Symposia

Pre-Congress meetings

- 9th ESMRMB - GREC (Gadolinium Research and Education Committee) Meeting
- Preclinical MRI: A field in motion
- Leaps in Microstructure Imaging: Exploring New Horizons
